

TMG Strategic Advisors, LLC

Clarity in Complexity. Strategy in Motion.

Company Overview

TMG Strategic Advisors, LLC is a boutique consulting firm at the intersection of government, global markets, and enterprise risk. We help organizations navigate complexity, anticipate disruption, and execute high-impact strategies through a mix of geopolitical foresight, federal policy alignment, and cross-sector engagement.

Founded by Dr. Kimberly A. McClain—retired Air Force officer and former HUD Assistant Secretary—TMG draws on decades of leadership across national security, international business, and public-private investment.
